River bend energy sponsored a podcast talking about deals in 2023 and may mention other people they work with and things like to invest in

<https://open.spotify.com/episode/4RoiArIXbJz5mWYoqV09IE?si=CDFkknakQoOdSArXyh5lw&nd=1&dlsi=2caa359199a9456e>

The podcast was also sponsored by

The Texas Minerals Company: "For more information on The Texas Minerals Company's current deal-flow pipeline, please email Toby Martinez at toby@thetexasmineralcompany.com"

(432) 241-0602 on linkedin for the company

<https://acadiamp.com/#contact> from Spotify podcast episode the minerals and royalties podcast

Nick O'Grady (CEO) and Adam Dirlam (President) from NOG return to the podcast in January 2026 to recap their M&A activity from the past 12-18 months and opine on acquisition opportunities across the Lower 48 - from the minerals and royalties podcast.

Minerals and Royalties podcast seems to have a ton go leads from the industry on there.
